Best Tentative Pool Club

Mixson Bath and Racquet Club

mixson.com

Based on the marketing collateral alone, the Mixson Bath and Racquet Club is going to be super swanky. We can only hope that when the pool opens in North Charleston, the people will look like the ones on the website. The plan for MBRC is pretty cool: a saltwater pool, bocce, badminton, event spaces, fitness facilities, and social club activities. Membership will be open to the public, and they'll have a full-service restaurant. We've got our towel, and we're ready to dive in. —*Stephanie Barna*
